

Philosophy-Goals-Objectives and Comprehensive Plans

CHARTER SCHOOL OVERSIGHT

The Governing Board recognizes its ongoing responsibility to oversee that any charter school the Board has authorized is successfully fulfilling the terms of its charter and is providing a high-quality educational program for students enrolled in the charter school.

(cf. 0420.4 - Charter Schools)

(cf. 0500 - Accountability)

The Superintendent/designee shall identify at least one staff member to serve as a contact person for each charter school authorized by the Board. (Education Code 47604.32)

The Board and Superintendent/designee may inspect or observe any part of the charter school at any time. The Superintendent/designee shall visit each charter school at least annually. (Education Code 47604.32, 47607)

The Superintendent/designee shall attend meetings of the charter school board whenever possible and shall periodically meet with a representative of the charter school.

Waivers

If the charter school wishes to request a general waiver of any state law or regulation applicable to it, it shall request that the District submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent/designee shall submit such a waiver request to the SBE on behalf of the charter school.

(cf. 1431 - Waivers)

Provision of District Services

The charter school may purchase administrative or other services from the District or any other source. (Education Code 47613)

Whenever the District agrees to provide administrative or support services, the District and charter school shall develop a memorandum of understanding which clarifies the financial and operational agreements between the District and charter school.

Philosophy-Goals-Objectives and Comprehensive Plans

CHARTER SCHOOL OVERSIGHT (Continued)

At the request of a charter school, the Superintendent/designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The District may charge the charter school for the actual costs of the reporting services, but shall not require the charter school to purchase payroll processing services from the District as a condition for creating and submitting these reports. (Education Code 47611.3)

Material Revisions to Charter

Material revisions to a charter may only be made with Board approval. Material revisions shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

If an approved charter school proposes to establish or move operations to one or more additional sites, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations. The Board shall consider approval of the additional locations at an open meeting. (Education Code 47605)

The Board shall have the authority to determine whether a proposed change in charter school operations constitutes a material revision of the approved charter.

Monitoring Charter School Performance

The Superintendent/designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving, both schoolwide and for all groups of students served by the school, the measurable student outcomes set forth in the charter. This determination shall be based on the measures specified in the approved charter and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its Local Control and Accountability Plan (LCAP).

Philosophy-Goals-Objectives and Comprehensive Plans

CHARTER SCHOOL OVERSIGHT (Continued)

The Board shall monitor the fiscal condition of the charter school based on any financial information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, annual update of the school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

The District may charge up to one percent of a charter school's revenue for the actual costs of supervisory oversight of the school. However, if the District is able to provide substantially rent-free facilities to the charter school, the District may charge up to three percent of the charter school's revenue for actual costs of supervisory oversight or, if the facility is provided under Education Code 47614, the pro-rata share facilities costs calculated pursuant to 5 CCR 11969.7. If the District charges the pro-rata share, it may also charge one percent of the charter school's revenue in oversight fees. (Education Code 47613)

Technical Assistance/Intervention

If, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more student subgroups identified in Education Code 52052, or for all of the student subgroups if the school has fewer than three, in regard to one or more state or school priorities identified in the charter, the District: (Education Code 47607.3)

1. Shall provide technical assistance to the charter school using an evaluation rubric adopted by the SBE pursuant to Education Code 52064.5.
2. May request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074.

If a charter school receiving federal Title I funding has been identified for program improvement, it shall implement improvement strategies in accordance with its existing school improvement plan.

In accordance with law, the Board may deny a charter school's renewal petition or may revoke a charter based on the charter school's poor performance, especially with regard to the academic achievement of all numerically significant subgroups of students served by the charter school.

(cf. 0420.42 - Charter School Renewal)

(cf. 0420.43 - Charter School Revocation)

Philosophy-Goals-Objectives and Comprehensive Plans

CHARTER SCHOOL OVERSIGHT (Continued)

Complaints

Each charter school shall establish and maintain policies and procedures to enable any person to file a complaint, in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4687, alleging the school's noncompliance with Education Code 47606.5 or 47607.3. (Education Code 52075)

(cf. 1312.3 - Uniform Complaint Procedures)

A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

School Closure

In the event that the Board revokes or denies renewal of a charter or the school ceases operation for any reason, the Superintendent/designee shall, when applicable in accordance with the charter and/or a memorandum of understanding, provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out.

The Superintendent/designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, if renewal of the charter is denied, the charter is revoked, or the charter school will cease operation for any reason.

Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)
