- Seek grant opportunities, prepare budgets, and manage projects
- Develop and evaluate emergency training exercises
- Conduct, facilitate, and oversee Community Townhall meetings
- Present at board meetings

Campus Clinic

Mental Wellness Program

2022-2023 Academic Year

- Students Screened: 285
- Staff Members Served: 46
- Students in Therapy: 12

2023-2024 Academic Year

- Students Screened: 631
- Staff Members Served: 54
- Students in Therapy: 15

Recent Success Story:

A mother with two students at Rice Elementary contacted Campus Clinic, expressing concern about her son's anxiety and depression. Campus Clinic promptly connected her with a provider. She also mentioned her daughter's struggles, and they arranged help for her as well. Now, both kids are doing better, actively participating in Campus Clinic's Mental Wellness program, and seeing the on-staff LMFT weekly.
