CHULA VISTA ELEMENTARY SCHOOL DISTRICT

GOVERNING BOARD AGENDA ITEM

Prepared by: Superintendent’s Office

ITEM TITLE:

Presentation of Book Donation by the South Bay Historical Society

Action X Information

BACKGROUND INFORMATION:

The first South Bay Historical Society (SBHS) was founded in 1958 by Irene Phillips, who wrote a regular column in the National City Star-News and who authored a series of nine books on the history of the National Ranch and the South Bay. This original group disbanded after Ms. Phillips’ death in 1972.

In August 2013, a small group met at Susan Walter’s historic John Davidson home on Second Avenue in Chula Vista to explore the possibility of restarting the Society. The group included community members from Bonita, Chula Vista, Lincoln Acres, and National City. At the meeting, it was decided that a society was needed to represent all communities in the South Bay, thus the current SBHS was born.

The mission of SBHS is to preserve and promote the history of the region of San Diego from National City to the border as well as to highlight the diverse communities of the South Bay. SBHS acts as a clearinghouse for the many organizations in the region that are involved in education and historic preservation, and to promote the sharing of information about historic sites, family artifacts and photographs, and oral histories. The organization hosts events, creates exhibits, and supports the community in its historical needs and interests. SBHS also collaborates with the Chula Vista Heritage museum to arrange for an annual exhibit at the Chula Vista Public Library.

ADDITIONAL DATA:

In 2011, for Chula Vista’s centennial, University of San Diego Professor Emeritus, History, Steven E. Schoenherr wrote a book about the city’s history. Mr. Schoenherr moved to Chula Vista from Indiana in the early 1970s. He still resides in Chula Vista, where he raised his children.
The book, *Chula Vista Centennial: A Century of People and Progress*, takes the reader on a chronological and visual journey, decade by decade, starting in 1911. It brings to life the historical facts and personal recollections of residents, educators and leaders in business and local government. From images of the Great Flood to stories about the first dog catcher and historic home preservation, readers will experience the hardships and good times that made Chula Vista the community it is today.

SBHS is donating a copy of the book to each District school. Tonight, SBHS Board Member Shelley Rudd, who is a retired District Teacher, will present the Board with the books.

**FISCAL IMPACT/FUNDING SOURCE:**

The total cost of the donation is approximately $1,000.

**STAFF RECOMMENDATION:**

On behalf of the Board of Education, the President will present Ms. Rudd with a Certificate of Appreciation for SBHS.

B. Presentation of North Island Credit Union Grant Check

Dr. Escobedo said that North Island Credit Union (North Island CU) has a long history of supporting education and that last year, the company gave $1,000 to the San Diego Superintendent of the Year. He added that, for some chance, he earned the honor this year, so North Island CU was there to present a $1,000 check. Dr. Escobedo said he would like to donate the money to the District’s amazing Visual and Performing Arts program, which will be used to purchase more instruments for students. He introduced North Island CU’s Senior School and Community Development Officer Jennifer Walker.

Ms. Walker said it was a pleasure to be at the meeting with fellow associates Vice President and Regional Manager Therese Caballes and School and Community Development Officer Joshua Rehhaut. She provided a short history of North Island CU, and presented Dr. Escobedo with a $1,000 grant in recognition of being selected ACSA Region 18 Superintendent of the Year for 2019, saying it was the second annual grant. Ms. Walker thanked Dr. Escobedo for his leadership for students, parents, and community. Dr. Escobedo thanked Ms. Walker and said it was an honor.

Mr. Esquivel said that every year, the Independent Citizens Oversight Committee (ICOC) provides a report to the Board. He acknowledged ICOC members in attendance and introduced ICOC Chairperson Jason Hurtado-Prater. Mr. Hurtado-Prater said it is an honor to serve on the ICOC and that he has the privilege of sitting on a few boards and committees, but the ICOC is one of his favorites, an engaged group that asks a lot of good questions. He presented the annual report that covered the scope, reporting responsibilities, and activities of the ICOC; Proposition E audits, modernization sites and years when work took place; Series A, B, and C bond issuances and use of funds; the timeline, estimated cost, and sources and use of funds for the 2019 modernization of Sunnyside; and major categories for improvement. Mr. Hurtado-Prater also provided some history, scope of work, and project plans for Proposition VV. He said the ICOC concluded that all expenditures under Proposition E have been in compliance with the requirements of the California constitution.
Mr. Esquivel recognized the four members who provided six years of service on the committee and discharged them of their duties: Taxpayers Organization Representative Sean R. Dumbar, Business Community Representative Dr. Diane Gerken, and Senior Citizens Organization Representative Mary I. Helvie. He also acknowledged At-Large Representative Karyn Koenig, who could not attend the meeting.

President Humphrey thanked Mr. Hurtado-prater for his presentation and presented outgoing members with Certificates of Recognition, thanking them for their service. She asked Mrs. Helvie, a former employee, how long she had worked in the District. Mrs. Helvie said she served in the District for 32 years and has been retired for 20 years, adding that she considers the District a family.

4. COMMUNICATIONS TO THE BOARD OF EDUCATION

A. Chula Vista Classified Employees Organization

Chula Vista Classified Employees Organization (CVCEO) President Peter Zeitler told President Humphrey that he appreciated attending her father’s funeral, saying that he was an institution in Chula Vista and a hero in our country.

Mr. Zeitler expressed concerns on the Assistant Superintendent position [included in the agenda]. Stated that CVCEO is going through negotiations and the “mantra” is that the District is deficit spending, so he questioned adding a position in the $270,000 range. Mr. Zeitler said he believes the District can utilize some of the current Executive Directors for those duties, that there will be classified layoffs, and that $95,000 would take care of the Noon Duty issue.

Thanked the Board for their service and the outgoing ICOC members, saying they do it for the love of the community, which really makes a difference. Remarked that he appreciated President Humphrey calling on Mrs. Helvie, stressing her comment that the District is a family.

B. Chula Vista Educators

Chula Vista Educators (CVE) President Susan Skala extended her condolences to President Humphrey and her family on the loss of her father, saying that she knows what a great impact he had on the community. Ms. Skala thanked everyone in the District for the service provided during this school year, saying it is her opinion that Chula Vista Elementary is the best school district in the state, which can be attributed to the employees who work so hard for the students. She shared a bargaining update from the June 17 session, saying that CVE
proposed a four and-a-half percent increase, another $1,000 to the health cap, and a stipend for unit members who supervise overnight study trips; also that the E3 evaluation is being negotiated but no Memorandum of Understanding has been signed yet. Ms. Skala said other issues to be to be discussed are Resource Teachers, collaboration time, the Visual and Performing Arts program, and the transfer of a teacher who was displaced. She said CVE knows money is an issue, but it believes the proposal is fair and requested the Board provide a counterproposal quickly. Finalized by saying there are three upcoming bargaining dates—two in August and one in September—and she believes those would be sufficient to settle the contract, at least as it relates to wages.

5. **ORAL COMMUNICATIONS**

Oral Communications provides the public with an opportunity to address the Board on non-agenda items. Speakers are requested to limit their remarks to five minutes. The Board shall limit the total time for public input on each agenda item to 20 minutes. No Board action can be taken.

Chula Vista National Little League (CVNLL) Parent and Coach Carla Padilla and CVNLL Board member Edgar Lim spoke to advocate for keeping a T-ball field instead of converting it to a parking lot at Harborside and proposed some alternatives. Mr. Lim also read a letter of support from Communities Through Hope Representative Rosy Vasquez.

Third Grade Dual Immersion Teacher Nancy Alonso, representing the Harborside staff; Instructional Assistant Behavioral Specialist Dianna Lopez; and Principal Lisa Forehand (Harborside) spoke regarding the many issues experienced by employees and parents at the site due to the lack of adequate parking and highlighted the need for additional spaces. Parent Mr. Perez (Harborside) also expressed safety concerns.

8. ADMINISTRATIVE ACTION ITEMS

A. Approve Chula Vista Elementary School District’s Updated Local Control and Accountability Plan for the 2019-20 School Year

Dr. Tessier provided a recap of the Local Control and Accountability Plan (LCAP), emphasizing its goals for the 2019-20 school year. President Humphrey thanked Dr. Tessier for the presentation.

Motion: TAMAYO, Second: FARÍAS, Vote: UNANIMOUS

B. Adopt 2019-20 Proposed Budget of the Chula Vista Elementary School District

Mr. Esquivel reviewed the District’s proposed budget, which is based on the Governor’s May Revise. He also addressed the 2019-20 Budget Deal approved by the Legislature, which the Governor has to sign by June 25 and explained that the District will have to revise the budget 45 days after it is signed. Mr. Esquivel provided an overview of the General Fund budget; changes in unrestricted revenue, expenditures, and contributions; multiyear assumptions; cumulative employer retirement costs increase; the District’s historical unrestricted contributions to special education; attendance numbers, multiyear projections through 2020-21; and related issues and items the District is watching. He and Dr. Escobedo also answered questions from Board Members, specifically addressing the District’s declining enrollment.

President Humphrey requested that the enrollment campaign be ramped up. Board Member Tamayo expressed his gratitude to Mr. Esquivel and his team for doing such a great job in preparing the budget and ensuring the District enjoys a positive certification. Mr. Esquivel said that the work is definitely a team effort and acknowledged Finance Director Theresa Villanueva, who was in the audience.

Motion: BUNKER, Second: FARÍAS, Vote: UNANIMOUS

C. Review Criteria and Standards for the 2019-20 Budget and Authorize the Superintendent to Sign Certification

Mr. Esquivel stated that as part of the process of preparing the budget the District has to provide information related to the criteria and standards managed by the California Department of Education. This item allows the Superintendent to sign a certification affirming that all the LCAP information is contained in the budget, that the budget meets the minimum criteria established by Education Code 42127 for the current year and for the following two years, that the District is fully funded for self-insurance, and other criteria.

Motion: REYES, Second: TAMAYO, Vote: UNANIMOUS
D. Adopt Resolution to Identify the Amount of Budget Reductions Needed in 2020-21 and to Require that a List of Budget Reductions for 2020-21 Be Included in the 2019-20 First Interim Report

Mr. Esquivel said that, because the District’s 2019-20 budget includes planned budget reductions in its multiyear projections for 2020-21 and for 2021-22, the San Diego County Office of Education (SDCOE) requires a resolution stating the District will review its budget at the first interim in December 2019 and provide a detailed listing of the planned reductions for the 2021-22 school year ($7.5 million). He added that this resolution will be provided to SDCOE as a separate document and that SDCOE will review it to ensure the numbers are “real” and the District has plans in place prior to the year when the reductions are scheduled to take place.

Motion: REYES, Second: HUMPHREY, Vote: UNANIMOUS

9. FIRST AND SECOND READINGS, BOARD POLICIES, ADMINISTRATIVE REGULATIONS, AND BOARD BYLAWS

A. First Reading/Possible Revision: Board Policy and Administrative Regulation 3100, Business and Noninstructional Operations, Budget

Mr. Esquivel said that proposed revisions to the Board Policy (BP) and Administrative Regulation (AR) includes addressing four areas—the latest Local Control Funding Formula requirements, addition of governmental accounting standards fund balance designations, moving the debt policy to BP 3470 to match the California School Boards Association’s numbering system, and establishing a minimum balance target level of eight percent in the Reserve for Economic Uncertainties (REU). He explained the eight percent REU minimum would maintain a fiscally sound financial system and noted recommendations from sources such as the Government Finance Officers Association and School Services of California to maintain a 10-percent REU level. Mr. Esquivel further explained that the eight percent affords the District four or four-and-a-half weeks’ worth of operating expenditures, while the minimum required level of three percent only provides one-and-a-half weeks. He stated that surrounding districts have established varying minimum levels—five percent, seven-and-a-half percent, ten percent, etc., and that municipalities have also established higher minimum levels, mentioning the City of Chula Vista, at 15 percent.

Ms. Skala expressed concerns about the lack of consultation on the BP and AR and regarding more than doubling the minimum required REU balance, which could be used to support educational programs. She also said that to make the change prior to finalizing negotiations could be seen as a gesture of bad faith.

Motion: TAMAYO, Second: FARÍAS, Vote: UNANIMOUS
10. GENERAL INFORMATION ITEMS/REPORTS

A. Report Calendar to Board of Education

Clerk Reyes said having the PowerPoints for the reports beforehand would be very helpful for the Board. He requested those be provided to Board Members prior to the meeting, so they can review the information and better prepare.

President Humphrey asked for information on the reason why professional development was scheduled for the last day of school, saying that should not happen. She also asked about the music teacher at Finney who is in the running for a Grammy award.

Dr. Tessier explained that the existing charter for Leonardo da Vinci Health Sciences Charter School (LdVCS) expires on June 30, 2019, and that a petition was submitted seeking renewal for a five-year term, from July 1, 2019, through June 30, 2024. He said that as part of the renewal, the Board had some concerns regarding mathematics achievement, particularly for English Learners (ELs) and that one of the requests was that LdVCS develop a plan to address this matter. Dr. Tessier commented that Executive Director of Technology and Instruction Dr. Ernesto Villanueva has been working with LdVCS and will make sure the plan is in place and that LdVCS will report to the Board on a quarterly basis on its mathematics achievement levels for ELs. He ended by saying that he was reporting that District staff members reviewed the plan, are in agreement with it; and will ensure the Board receives quarterly reports, beginning with the California Assessment of Student Performance and Progress results that should be published soon.

ITEM TITLE:

Adopt Resolution in Support of Civic Learning for College, Career, and Civic Life for the 2019-20 School Year

X Action

X Information

BACKGROUND INFORMATION:

The Chula Vista Elementary School District is committed to providing a successful, safe, challenging, and nurturing educational experience that includes civic knowledge, skills, and values needed to effectively contribute to and participate in the nation’s democracy.

Currently, California ranks 48 out of 50 states in civic engagement. The District recognizes that our education system can play a major role to ensure students have equitable access to learn how to participate in the nation’s democracy.

The National Council for Social Studies framework provides guidance to enhance the rigor of Kindergarten through Grade 12 civics education and has identified the following “Six Proven Practices for Effective Civic Learning” that will guide District staff to ensure civics education is implemented:

- **Classroom Instruction.** Schools should provide instruction in civics and government, history, economics, geography, law, and democracy. Formal instruction in these subjects increases civic knowledge and increases young people’s tendency to engage in civic and political activities over the long term. However, schools should avoid teaching only rote facts about dry procedures, which is unlikely to benefit students and may actually alienate them from civic engagement.

- **Discussion of Current Events and Controversial Issues.** Schools should incorporate discussion of current local, national, and international issues and events into the classroom, particularly those that young people view as important to their lives. When students have an opportunity to discuss current issues in a classroom setting, they tend to have a greater interest in civic life and politics as well as improved critical thinking and communication skills.

- **Service Learning.** Schools should design and implement programs that provide students with the opportunity to apply what they learn through performing community service that is linked to the formal curriculum and classroom instruction.
- **Extracurricular Activities.** Schools should offer opportunities for young people to get involved in their schools or communities outside of the classroom. Studies show that students who participate in extracurricular activities in school remain more civically engaged than those who did not, even decades later.

- **School Governance.** Schools should encourage meaningful student participation in school governance. Giving students more opportunities to participate in the management of their classrooms and schools builds their civic skills and attitudes.

- **Simulations of Democratic Processes.** Schools should encourage students to participate in simulations of democratic processes and procedures. Evidence shows that simulations of voting, trials, and legislative deliberation and democracy lead to heightened civic/political knowledge and interest.

Additional information is available for review in the Office of the Assistant Superintendent of Innovation and Instruction Services and Support.

Review and Accept Quarterly Report to the San Diego County Office of Education on Williams Complaints for the Period of April Through June 2019

Action X Information

BACKGROUND INFORMATION:

In May 2000, a lawsuit was filed against the State of California claiming that low-performing schools throughout the state were housed in facilities that were dirty, unsafe, and inadequate with further allegations that these schools were additionally burdened with unqualified teachers and insufficient instructional materials. A settlement in Williams vs. California was reached in August 2004 and subsequently enacted into law through Senate Bills 6 and 550 and Assembly Bills 1550, 2727, and 3001 (chaptered September 29, 2004).

The intent of the Williams settlement is to ensure that all students have equal access to:

- Instructional materials.
- Qualified teachers.
- Safe, clean, and adequate facilities.

ADDITIONAL DATA:

A stipulation of the settlement is that all school districts must update Uniform Complaint Procedures to include:

- Instructional materials.
- Teacher vacancies and misassignments.
- Emergency or urgent facilities issues.

Notices are posted in each classroom in every District school informing parents/guardians that all classes in all California public schools must have sufficient instructional materials and that the facilities must be clean, safe, and in
“good repair.” The notices also provide information on how and where to file a complaint.

A quarterly summary report of complaints must be presented to the Board and to the San Diego County Office of Education. For the period of April through June 2019, no Williams complaint were filed in the District.

The Department of Special Education and Instruction Services and Support complies with the provisions listed above and anticipates it may establish master contracts with ACES Academy, Aseltine School, Banyan Tree Foundations Academy, Community School of San Diego, Excelsior Academy, The Institute for Effective Education, New Bridge School, San Diego Center for Children Academy, Sierra Academy of San Diego, Springall Academy, and Stein Center.

Public education settings, such as a Special Day Class, are always considered for students who are seriously emotionally disturbed or severely handicapped. An Individual Services Agreement is processed with an NPS in specific instances when the IEP Team recommends that an NPS setting is the most appropriate educational placement for a student who cannot function in a public school setting, even with the support of a one-on-one aide.
ADDITIONAL DATA:

The Department of Special Education and Instruction Services and Support anticipates the need to establish contracts with additional nonpublic schools for 2019-20. However, those nonpublic schools are still going through the rate negotiation and approval process with the San Diego County Office of Education. Therefore, those contracts will be submitted for Board approval at a later date.

IEP Teams met to review placements for the students listed above. At that time, public education settings such as Special Day Classes for students who are seriously emotionally disturbed or severely handicapped were considered. Information

BACKGROUND INFORMATION:

Since 1986, the Chula Vista Elementary School District (“CVESD”) has formed sixteen (16) Community Facilities Districts (CFDs). Annually, the Board is presented with a Resolution which has several purposes.

These purposes are to (i) establish the Maximum Initial Year Special Tax Rates (“MIYSTR”) applicable to properties for which the first or initial year of taxation as developed property is fiscal year 2019-2020, (ii) establish the maximum Special Tax rates for existing developed properties which were taxed in previous years (together with MIYSTR, the Maximum Special Tax Rate (“MSTR”)), and (iii) direct the levy of such Special Taxes as applicable to the CFDs.

Pursuant to the provisions of the various Rate and Methods of Apportionments (“RMAs”), the applicable MIYSTR are subject to an increase over the previous MIYSTR that is equal to the greater of (i) the annual change in the Building Cost Index as published in the Engineering News Record (“BCI”) or (ii) two percent (2%). The annual percentage increase in the BCI for 2018-2019 was 2.8%. Hence, for the properties in the various CFDs for which fiscal year 2019-2020 is the initial year of taxation, the MIYSTR will increase by 2.8% over the previous year. The MIYSTR for the applicable CFDs are reflected in Exhibit “A” to this Resolution.

After the initial year of taxation, the maximum Special Tax applicable to each taxable property within the CFDs is subject to an annual increase of 2% as set forth in each RMA. As the MIYSTR is established each year in accordance with changes in the BCI, there are many applicable Special Tax rates for each CFD which may be determined by the size, type and year of development of each Taxable Property. As
a result, only the MIYSTRs applicable to properties for which fiscal year 2019-2020 represents the initial year of taxation, are included in Exhibit A to the Resolution.

The Resolution also establishes the actual Special Tax rates to be levied for fiscal year 2019-2020 for taxable property in each CFD and directs the levies of such Special Taxes for fiscal year 2019-2020 as to the applicable CFDs. Since 1987, the Board has levied the Special Tax rates at the MSTR as described above. The table below summarizes the historical Special Tax rates and Special Taxes adopted by the Board as the Legislative Body of the CFDs.

* Percent increase from prior year reflects the increase on property levied as Developed Property in the prior year only.

ADDITIONAL DATA:

The levy of the Special Taxes by the Resolution provides for payment of (i) principal and interest due on all outstanding debt of the CFDs, (ii) CFDs administrative expenses, and (iii) funding of additional authorized CFD facilities.

The provisions for the annual adjustments in maximum tax rates are contained in the Rate and Method of Apportionments (RMAs or Special Tax Formulae) referenced in Ordinances adopted in connection with the formation of the CFDs and amendments thereto. Copies are available for review in the Office of the Deputy Superintendent.

FISCAL IMPACT/FUNDING SOURCE:

Revenues from CFD taxes fund, by agreed special taxes and applicable bond proceeds, school facilities consistent with applicable law.

STAFF RECOMMENDATION:

Approve and adopt Resolution Establishing the Special Tax Levy for Fiscal Year 2019-2020 for Community Facilities District Nos. 1, 3-6, 10-15 and 17-20 (collectively, “CFDs” and “Resolution”).

WHEREAS, this Legislative Body desires to establish the amount of the Special Tax to be levied for fiscal year 2019-2020, prior to any offset for ad valorem taxes where applicable, at a percentage of the MSTR thereof determined as to each CFD, as indicated in Exhibit “A” attached hereto. Such rate or rates of the applicable Special Tax is levied and applied at the approved percent thereof shown on Exhibit “A” on the basis of each taxable parcel’s applicable MSTR for fiscal year 2019-2020 as enacted by the above-referenced Ordinance of each CFD; and

WHEREAS, this Legislative Body desires to reduce the amount of the special tax to be levied on each parcel within CFD Nos. 1-11 and 18 subject to the special tax to off-set, in whole or in part, the estimated ad valorem tax to be levied on such parcel resulting from the issuance of the Chula Vista Elementary School District General Obligation Bonds 1998 Election, (the “General Obligation Bonds”);

WHEREAS, this Legislative Body estimates, based on the preliminary data regarding assessed values of property in the District provided by the County of San Diego, that the appropriate rate to be levied on taxable property in the District as a result of the issuance of the General Obligation Bonds will not exceed $0.020 per $100 of assessed value (the “Approximation Rate”);

X Action

Information

BACKGROUND INFORMATION:

The Chula Vista Elementary School District (District) and the Chula Vista Police Department (CVPD) are committed to providing a safe, secure, and orderly learning and teaching environment for students and staff. To accomplish this goal, on March 6, 2019, the Board approved a Memorandum of Understanding with the CVPD for three School Resource Officers (SROs) and a one-half of an SRO Agent at the 35 elementary schools, and 5 charter schools located in the City of Chula Vista for the 2018-19 school year. SROs focus on prevention, early intervention, diversion, and community-oriented policing to students and their families.

Pursuant to the terms of the MOU, the parties may choose to extend the MOU for a maximum of two (2) additional one-year periods upon written approval of both parties. CVPD and the District choose to extend the term of the MOU for the period of July 1, 2019, through June 30, 2020.

ADDITIONAL DATA:

The District will cooperate and support the efforts of the CVPD SROs to work with students, school personnel, parents, and the community.

SROs will work with site principals, staffs, and community members to provide safe, secure, and drug-free learning environments for District students. When requested, SROs will attend various meetings/conferences, intervene with students in at-risk situations, schedule security activities, provide first response in all law enforcement-related matters as they occur during regular school hours, and provide high visibility of uniformed police officer presence on District campuses, as well as other duties outlined in the Memorandum of Understanding that was developed for this partnership.
Additional information is available for review in the Office of Emergency Preparedness and Security.

**FISCAL IMPACT/FUNDING SOURCE:**

Approve Award of Prime Bid Packages No. 1, 2, 3, and 4 for Site Work Preparation and Utilities for One 120’ x 32’ Two-Story Modular Classroom Building (Eight Classrooms) and One 12’ x 40’ Modular Restroom Building at Saburo Muraoka Elementary School

X Action

Information

BACKGROUND INFORMATION:

Saburo Muraoka Elementary School (Muraoka) opened in July 2017, and is experiencing a steady increase in enrollment, with 722 students as of June 6, 2019. Additional classrooms will be needed at Muraoka to provide space for future Muraoka boundary area students. On November 14, 2018, the Board approved the purchase of one two-story modular classroom building in order to provide eight additional classrooms and one restroom building at the school site. On April 15 and April 26, 2019, site work Bid Package Nos. 1, 2, 3, and 4 were advertised. A bid opening was held on May 16, 2019.

On May 29, 2019, the Board approved the rejection of all bids on Prime Bid Package Nos. 1, 2, 3, and 4 because they did not receive a sufficient number of bids from contractors and/or the lowest bids were more than ten percent greater than the engineers estimate. Bid Package Nos 1, 2, 3 and 4 were re-advertised and re-bid without the application of the PLA pursuant to Section 4.3(a) of the PLA on May 31, 2019, and June 6, 2019. Thirteen contractors submitted bids at the opening held July 2, 2019.

Prior to the bid opening, it was determined the award of a contract would be based on the following method of determining the lowest bid: the lowest bid shall be the lowest bid price on the base contract without consideration of the prices on the additive or deductive items. In each case, the lowest responsive, responsible bidder was determined based on the base bid, for comparative purposes.

Prime Bid Package Nos. 1, 2, 3 and 4 are being recommended by District staff for award based on review of bids submitted, pricing, and responsiveness. Based on the rebidding, the District is projected to save $412,000, or approximately 15%.
Work on the above-mentioned projects will commence approximately September 23, 2019, with an estimated completion date of March 24, 2020.

**ADDITIONAL DATA:**

Bid documents are available for review in the Office of the Deputy Superintendent. Recommended bid awards are provided on the attached Exhibit “A”. In the event that a Prime Bid is duly withdrawn by the respective contractor, the next lowest bid will be substituted.

**FISCAL IMPACT/FUNDING SOURCE:**

Funding will be provided from Community Facilities District (CFD) funds.

**STAFF RECOMMENDATION:**

Recommend approval.

ITEM TITLE:

Approve Motion to Direct Clerk to Conduct the First Reading of Ordinance Dissolving Community Facilities District No. 2 and Directing Related Actions by Title Only

X Action

Information

BACKGROUND INFORMATION:

In 1987, the Board of Education, acting as the legislative body of Community Facilities District No. 2 (CFD No. 2), formed CFD No. 2, and on February 23, 1989, recorded a Notice of Special Tax Lien for CFD No. 2 in the Official Records of the County of San Diego.

The Mello-Roos Community Facilities Act establishes a process for the cessation of special taxes, dissolving the affected CFD and the lien of its special taxes, and providing related notices. Pursuant to Government Code Section 53338.5, the legislative body of a CFD may adopt an ordinance to dissolve the CFD if: (i) the CFD is not obligated to pay any outstanding debt; and (ii) the CFD has no authorization to levy special taxes. Section 53338.5 provides for the recording of an addendum to the notice of special tax lien that gives appropriate notice.

The District's special tax consultant has determined that: (i) as of June 30, 2018, the owners of property within CFD No. 2 were no longer obligated to pay special taxes of CFD No. 2, because the authorization to levy such taxes had expired; and (ii) CFD No. 2 is not obligated to pay any outstanding debt.

Therefore, District staff requests that the Board adopt the attached Ordinance to thereby dissolve CFD No. 2 and the lien of its special taxes, and direct that an Addendum to the Notice of Special Tax Lien for CFD No. 2 be recorded. The Addendum, when recorded, will give notice of the cessation of the CFD No. 2 special taxes and that CFD No. 2 and the associated liens have been dissolved.
A second reading of Ordinance will be required for the Ordinance to take effect, and District staff anticipates that the second reading will be scheduled to occur during the Board’s regularly scheduled August 14, 2019, meeting. The Ordinance will take effect thirty days after the second reading.

Section 7. The Deputy Superintendent of the District shall cause notice of the adoption of this Ordinance to be given in accordance with applicable law, and this Ordinance shall take effect on the date that is thirty days following adoption by the Board of Education.
