Report on Multi-Tiered System of Supports

Action X Information

BACKGROUND INFORMATION:

The District is committed to providing a successful, safe, challenging, and nurturing educational experience, while promoting the joy and importance of learning for all children. Our strategic goal for equity is that all students have access to programs and resources that will enable all children to reach their potential. In order to meet the behavioral and social-emotional as well as academic needs of all students, the District has adopted a Multi-Tiered System of Supports (MTSS) approach.

A consultation subcommittee comprised of District leaders and Chula Vista Educators was started in November 2017 with the purpose of ensuring high-fidelity implementation of MTSS Districtwide. In November 2018, the District hired an MTSS Director who, along with the subcommittee, collaborated to create a five-year MTSS implementation plan.

ADDITIONAL DATA:

Tonight, District staff will report on the current state of MTSS, including accomplishments thus far, examples of work that have been done, and next steps.

Additional information is available for review in the Office of the Executive Director of Student, Family, Community, and Instruction Services and Support.

ITEM TITLE:

Adopt Resolution in Support of South Bay Community Services’ “Change Their Lives 2019” Fundraising Event

[ ] X Action [ ] Information

BACKGROUND INFORMATION:

The social emotional wellness of District students is one of the areas of focus for the District’s Board of Education. Many times, basic physical requirements are directly connected to students’ social emotional needs.

Research has demonstrated a significant connection between the development of early social emotional skills and positive outcomes in young adults across a number of areas—education, employment, criminal activity, substance abuse, and mental health. In an effort to ensure students have access to services that promote the development of early social emotional skills, the District partners with a number of nonprofit organizations that offer a variety of services to help increase students’ social emotional wellness.

One of these organizations is South Bay Community Services (SBCS), a nonprofit that provides a comprehensive range of programs and services to help children, youths, and families in the southern portion of San Diego County to overcome challenges and succeed, not only in school but also in life. Many District students directly benefit from SBCS programs such as preschool and mental health services. The District’s partnership with SBCS serves to enrich our shared community and to enhance the general well-being of our students and our society.

ADDITIONAL DATA:

District nonprofit partners need to acquire monies in order to finance these critical services. One of the ways in which they generate financial resources is through fundraising activities and events. SBCS hosts one such event, “Change Their Lives,” each year. “Change Their Lives 2019” will be held on September 28, 2019, at the Coronado Island Marriott Resort and Spa and SBCS has invited District Board Members and other key District staff members to attend.
The Chula Vista Elementary School District is well known for its careful stewardship of public funds. Historically, and in keeping with the California State Constitution’s prohibition of “gifts of public funds,” the District has not financially supported any fundraising events. However, after careful consideration, it has been determined that supporting “Change Their Lives 2019” bestows a public benefit upon our community and a resolution was drafted to allow the expense.

Additional information is available for review in the Office of the Superintendent.

**FISCAL IMPACT/FUNDING SOURCE:**

Cost of event tickets is $300 per person and would be paid from the General Fund.

**STAFF RECOMMENDATION:**

Recommend adoption.

Adopt Resolution Endorsing the 2019 RED RIBBON CAMPAIGN

X Action  Information

BACKGROUND INFORMATION:

The annual RED RIBBON CAMPAIGN is scheduled from October 23-31, 2019. The theme for this year is “Send A Message. Stay Drug Free™.” The RED RIBBON CAMPAIGN originated when Drug Enforcement Administration Agent Enrique Camarena was murdered by drug traffickers in Mexico in 1985. This was the first awareness campaign to choose a red ribbon as its symbol. In 1988, Red Ribbon Week was proclaimed by Congress, and each year, the last week in October is designated Red Ribbon/Drug Awareness Week.

The RED RIBBON CAMPAIGN offers an excellent opportunity to unite families and communities in supporting drug- and tobacco-free lifestyles. In our schools, Red Ribbon Week offers the opportunity to strengthen students’ resolve to live healthy, drug- and tobacco-free lives. This program is an outgrowth of the “Drug-Free Schools and Communities Act of 1986,” which states that schools and communities throughout the nation have a responsibility to work together to combat the scourge of drug and tobacco use and alcohol abuse.

During Red Ribbon Week, ribbons are distributed to students and staff, to be worn as a symbol of drug- and tobacco-free choices and to represent a commitment to healthy, drug- and tobacco-free lives. Schools have been encouraged to promote Red Ribbon Week activities during this week. These activities include:

- Discuss the Red Ribbon Pledge: To grow up safe, healthy, and drug free.
- Promote Red Ribbon themed activities: spirit days, schoolwide assemblies, and door poster contests.
- Distribution of red ribbons to students, staff, and visitors.
- Art, poster, or essay contests sponsored by PTA, Booster Clubs, Community Partners, and/or Student Council.
ADDITIONAL DATA:

Additional information is available for review in the Office of the Executive Director of Student, Family, Community, and Instruction Services and Support.

FISCAL IMPACT/FUNDING SOURCE:

Red ribbons will be purchased and distributed to students and staff throughout the District. The cost of these ribbons is $5,600 and will be paid from the General Fund.

WHEREAS, leadership matters for California’s public education system and the more than 6 million students it serves; and

WHEREAS, school administrators are passionate lifelong learners who believe in the value of quality public education; and

Ratify Memorandum of Understanding with Jacobs & Cushman San Diego Food Bank for the Food 4 Kids Backpack Program for the 2019-20 School Year

X Action

Information

BACKGROUND INFORMATION:

Established in 2006, the Food 4 Kids Backpack Program provides weekend pre-assembled food bags to chronically hungry elementary school students from low-income households who are at risk of hunger over the weekend when free school meals are unavailable.

Every Friday afternoon, students on the program are discretely given a pre-assembled food bag which is tucked into their backpacks. Each bag contains enough food to see the students through the weekend, and the discrete distributions remove the stigma that might be attached to the program. When school staff members identify students who display signs of chronic hunger, a referral form is sent to the San Diego Food Bank, and the student’s parents are sent a permission slip to enroll the student in the program.

Beginning this school year, the District Warehouse serves as a distribution hub for the Food 4 Kids Backpack Program. The cost savings for the San Diego Food Bank allows food provision to additional District students.

Schools above the 80% Free and Reduced Meal Program are give priority to participate once they complete an application process. Currently, 192 District students from five schools are enrolled in this program. Participating schools are Harborside, Calvin J. Lauderbach, John J. Montgomery, Otay, and Vista Square.

Additional information is available for review in the Office of the Executive Director of Student, Family, Community, and Instruction Services and Support.

Adopt Resolution Establishing Appropriations Limits for Fiscal Years 2018-19 and 2019-20 Pursuant to Article XIIIb (Gann Amendment) of the California State Constitution

ACTION: X Information

BACKGROUND INFORMATION:

The Gann Initiative, which was approved by voters in November 1979, added an amendment to the State Constitution requiring all public agencies to annually determine and adopt appropriations limits. Implementation of the amendment and related calculations places a ceiling on each year's appropriations of tax dollars for the state, cities, counties, school districts, and special districts.

Using 1978-79 as a base year, subsequent years' limits have been adjusted for the following:

- An inflation increase equal to the change in the Consumer Price Index or per capita personal income, whichever is smaller.

- The change in average daily attendance.

Proposition 111, adopted in June 1990, amended the Gann limit inflation factor to be based only on the change in per capita personal income. Per Education Code Section 42132, school districts are required to report their actual appropriations limit for fiscal year 2018-19 and an estimated appropriations limit for fiscal year 2019-20 by September 11, 2019.

ADDITIONAL DATA:

The 2018-19 Appropriations Limit Recalculation and 2019-20 Estimated Appropriations Limitation Calculation forms have been completed and are available for review in the Office of the Deputy Superintendent.
FISCAL IMPACT/FUNDING SOURCE:

Fiscal Year 2018-19 Actual Appropriations Limit = $185,718,692.44  
Fiscal Year 2019-20 Estimated Appropriations Limit = $193,138,878.51

The District’s fiscal year 2018-19 appropriations subject to the Gann limit is $185,718,692.44.

GOVERNING BOARD AGENDA ITEM

Prepared by: Business Services and Support

ITEM TITLE:

(1) Approve Renewal of Two-Year Terms for Members of the Chula Vista Elementary School District Independent Citizens Oversight Committee; and

(2) Appoint New Members to the Chula Vista Elementary School District Independent Citizens Oversight Committee

X Action Information

BACKGROUND INFORMATION:

In November 2012, local voters in School Facilities Improvement District (SFID) No. 1 approved Proposition E, a $90 million general obligation bond to provide funds to renovate and modernize facilities and improve technology at Chula Vista Elementary School District’s (CVESD) oldest schools. A key element in the Proposition E program was the creation of an Independent Citizens Oversight Committee (ICOC). The ICOC is charged with regular ongoing review of District general obligation bond sales and expenditures. In accordance with Administrative Regulation 7214 (New Construction, General Obligation Bonds) and Education Code Section 15282, the ICOC must consist of at least seven members including, but not limited to:

1. One member active in a business organization representing the business community located within the District.
2. One member active in a senior citizens organization.
3. One member active in a bona fide taxpayers organization.
4. One member who is a parent/guardian of a District student and is active in a parent-teacher organization, such as the Parent-Teacher Association or a school site council.
5. One member who is a parent/guardian of a child enrolled in the District.

Seven citizens were appointed to the Prop E ICOC and began their terms in September 2013. Those terms expired in September 2017. On September 6, 2017, the Board of Education approved a revision to the Prop E ICOC Bylaws that allowed members to serve for an additional two-year term in accordance with Education Code Section 15282. Accordingly, the following citizens were
appointed by the Board to serve on the Prop E ICOC in the fall of 2017, including four members that were originally appointed in 2013.

- Jason Hurtado-Prater (Chair), Business Community Representative
- Jolyn DePriest, Ph.D., Business Community Representative
- Sean R. Dunbar, Taxpayers Association Representative (2013)
- Dr. Diane Gerken, Business Community Representative (2013)
- Valerie Gerken-Rios, At-Large Representative
- Mary I. Helvie, Senior Citizens Organization Representative (2013)
- Martha Juarez, Parent Representative Active in PTA/School Site Council
- Karyn Koenig, At-Large Representative (2013)
- Ben Lien, Parent Representative Active in PTA
- James L. Smyth, At-Large Representative
- Floyd Strayer, At-Large Representative

In November 2018, local voters approved Measure VV, a $150 million general obligation bond that will provide funds to renovate and modernize facilities, upgrade security and safety infrastructure, implement energy saving measures and improve technology access within the Chula Vista Elementary School District's (District's) 46 schools, Education Services and Support Center, and Transportation Yard.

On January 23, 2019, the Board added oversight of the Measure VV general obligation bond to the scope of the already existing Prop E ICOC, subsequently renaming the Prop E ICOC as the Chula Vista Elementary School District Independent Citizens Oversight Committee (CVESD ICOC). The CVESD ICOC meets a minimum of four times each fiscal year, reviews bond sales, reviews expenditures to ensure they are spent as authorized under Proposition E and Measure VV, and provides an annual report to the Board of Education.

As stated in Section 5.4 (Term) of the CVESD ICOC Bylaws, each member shall serve a term of two years commencing on the date of the first meeting of the CVESD ICOC for the member. No member may serve more than three consecutive terms. Since the current CVESD ICOC members held their first meetings in September and December 2017, current terms for all members will expire in September and December 2019.

Each of the following members on the CVESD ICOC has expressed his/her interest in continuing to serve on the Committee. If approved by the Board, their first two-year term will expire in September 2019. The names of the citizens
and the roles they will serve on the CVESD ICOC for their second terms are provided in the following chart.

In September 2019, ICOC members Sean R. Dunbar, Dr. Diane Gerken, Mary I. Helvie, and Karyn Koenig will complete their third and final term on the CVESD ICOC. Pursuant to State requirements, the District must replace Mr. Dunbar and Ms. Helvie on the CVESD ICOC with another San Diego County Tax Payer Association and Senior Citizens Organization representative. In accordance with Administrative Regulation 7214 (New Construction, General Obligation Bonds) and Education Code Section 15282, the ICOC will consist of at least seven members. As there will be more than seven members with the replacement of Mr. Dunbar and Ms. Helvie, Dr. Gerken and Ms. Koenig do not need to be replaced.

Pursuant to the process established by the Board on February 20, 2013, regarding the selection of new ICOC members, District staff began advertising to solicit applications for ICOC members in July 2019. Notices and application materials were posted on the District website; distributed to school sites; announced at various District and community meetings; and mailed to the San Diego County Taxpayers Association. In addition to these actions, the District published notice in The Star News on July 26, 2019.

Two applications were received during the application period. The District is recommending that Ms. Gloria McKearney be appointed as the new San Diego County Tax Payers Association representative, and Ms. Nancy Kerwin be appointed as the new Senior Citizens Organization Representative.

**ADDITIONAL DATA:**

Members of the CVESD ICOC serve in an advisory capacity to the Board of Education to review general obligation bond sales and expenditures as they relate to the renovation and modernization of facilities at CVESD schools and District facilities. The Committee’s goal is to verify that all school general obligation bonds are expended as per the facility improvement plan proposed to
voters. Additional information is available for review in the Office of the Deputy Superintendent.

**FISCAL IMPACT/FUNDING SOURCE:**

Proposition E provides $90 million of bonding capacity to CVESD. The District issued $31 million in bonds in 2013 and $14 million in 2015 for Proposition E modernization projects through Summer 2015. An additional $45 million was issued on January 24, 2017, for Summer 2018 and Summer 2019 projects.

Measure VV provides a $150 million general obligation bond that will provide funds to renovate and modernize facilities, upgrade security and safety infrastructure, implement energy saving measures and improve technology access within the Chula Vista Elementary School District’s (District’s) 46 schools, Education Services and Support Center, and Transportation Yard.

Projects share items such as architect and engineering services, planning, program training and management, and contingencies. The final cost of each project may be affected by factors beyond CVESD’s control and will be determined as plans are finalized, construction bids are awarded, and projects are completed. CVESD will complete improvements based on the prioritized projects list until all funds of the general obligation bond measures have been expended. Proposition E and Measure VV funds are audited annually by an independent Certified Public Accountant.

ITEM TITLE:

Adopt Resolution Regarding the State Allocation Board’s “Applications Received Beyond Bond Authority List” and Acknowledging the State’s School Facility Program Funding Limitations

X Action Information

BACKGROUND INFORMATION:

The District is submitting applications for funding under the State of California’s School Facility Program (Leroy F. Greene Act) for new elementary school construction and modernization of existing schools.

On November 1, 2012, the Office of Administrative Law approved emergency regulations that will impact how the Office of Public School Construction (OPSC) will process applications received after existing bond authority is no longer available for new construction and modernization applications. These regulations establish a State Allocation Board (SAB) acknowledged list for projects that are received by OPSC after bond authority is exhausted. The new list is called the “Applications Received Beyond Bond Authority List.” Applications placed on this list will undergo only an intake review to ensure all required documents have been submitted and will not be fully processed by OPSC nor presented to SAB for approval.

All new construction and modernization applications received on or after November 1, 2012, are subject to the new regulations and processing procedures as approved by SAB at its September 2012 meeting.

ADDITIONAL DATA:

Additional information is available for review in the Office of the Deputy Superintendent.

FISCAL IMPACT/FUNDING SOURCE:

In the event that the SAB has additional bond authority, the District may be reimbursed for a portion of the construction of new elementary schools and modernization of existing schools.

STAFF RECOMMENDATION:

Recommend adoption.

(1) Conduct Public Hearing Regarding Sufficiency of Instructional Materials and the *Williams* Class Action Settlement; and

(2) Adopt Resolution for the 2019-20 School Year Regarding Sufficiency of Instructional Materials and the *Williams* Class Action Settlement with the State of California

X Action Information

BACKGROUND INFORMATION:

The *Eliezer Williams, et al. vs. State of California, et al. (Williams)* case was filed as a class action in 2000 in San Francisco County Superior Court. The basis of the lawsuit was that state educational agencies failed to provide public school students with equal access to instructional materials, safe and decent school facilities, and qualified teachers.

The case was settled in 2004, resulting in the state allocating $138 million in additional funding for standards-aligned instructional materials for schools in the first and second ranks (known as Deciles) determined through the 2003 Academic Performance Index (API) Base. The purpose of the funds allocated by the *Williams* settlement is to ensure that all students at Deciles 1-3 schools have access to textbooks in the five core subject areas of reading/language arts, history/social science, mathematics, science, and English language development. The settlement includes an additional $50 million for implementation costs and other oversight-related activities for schools in Deciles 1-3 (2003 API Base). These two amounts were included in the state budget (Outside Source) signed in July 2004 by Governor Schwarzenegger. The settlement is implemented through legislation adopted in August 2004: Senate Bill (SB) 6, SB 550, Assembly Bill (AB) 1550, AB 2727, and AB 3001. AB 831 was signed on July 26, 2005, to further clarify implementation of *Williams* legislation.

Previously, schools most affected by the *Williams* case were in Deciles 1-3 as determined by the 2006 API Base. In 2012-13, the list of schools was updated and now includes schools in Deciles 1-3 as determined by the 2012 API Base. There are no District schools on the list.
Since the 2004-05 school year, the San Diego County Office of Education (SDCOE) has conducted annual visits to the API Deciles 1-3 schools to ascertain sufficiency of instructional materials in the core subject areas. If insufficient materials are determined, SDCOE prepares a report identifying and documenting areas of noncompliance. If the deficiency is not remedied by the local education agency within 20 days, SDCOE requests that the California Department of Education, with State Board of Education approval, purchase materials to comply with the sufficiency requirement. The SDCOE did not conduct site visits to any District schools.

Additionally, the Board must conduct a public hearing to make a determination and adopt a resolution, every year, that every student has sufficient core subject textbooks/instructional materials consistent with the content and cycles of the state framework. The Board is required to submit the resolution to the California Department of Education.

ADDITIONAL DATA:

Additional information is available for review in the Office of the Executive Director of Curriculum and Instruction Services and Support.

FISCAL IMPACT/FUNDING SOURCE:

Adoption of the attached resolution will provide for continued funding under Education Code Section 60119, Instructional Materials.

STAFF RECOMMENDATION:

Recommend conduct public hearing and adoption.

RESOLUTION NO. __________

Resolution for the 2019-20 School Year Regarding Sufficiency of Instructional Materials and the Williams Class Action Settlement with the State of California

On motion of Member __________, seconded by Member __________, the following resolution is adopted:

WHEREAS, the Board of Education of the Chula Vista Elementary School District, in order to comply with the requirements of Education Code Section 60119, held a public hearing on September 11, 2019, at 6 p.m., which is on or before the eighth week of District schools opening (between the first day that students attend school and the eighth week from that day) and which did not take place during or immediately following school hours; and

WHEREAS, the Board of Education provided at least ten days notice of the public hearing posted in at least three public places within the District that stated the time, place, and purpose of the hearing; and

WHEREAS, the Board of Education encouraged participation by parents/guardians, teachers, members of the community, and bargaining unit leaders in the public hearing; and

WHEREAS, information provided at the public hearing and to the Board of Education at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English Learners, in the District; and

WHEREAS, between 2008 and 2019, the definition of “sufficient textbooks or instructional materials” also means that all students who are enrolled in the same course within the District have standards-aligned textbooks or instructional materials from the same adoption cycle; and

WHEREAS, sufficient textbooks and instructional materials were provided to each student enrolled in foreign language or health classes; and

WHEREAS, sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic
content standards and consistent with the cycles and content of the curriculum frameworks in the following subjects:

NOW, THEREFORE, BE IT RESOLVED that the Board of Education of the Chula Vista Elementary School District has provided each student with sufficient textbooks and instructional materials aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks.

ITEM TITLE:

(1) Conduct Public Hearing Pertaining to Proposed Agreement for Lighting Retrofit Project with ENGIE Services U.S., Inc.; and

X Action
___________Information

BACKGROUND INFORMATION:

Over the past six years, the District has been upgrading its lighting to energy efficient light-emitting diode (LED) technology at various District sites. This lighting retrofit project will complete the lighting upgrades at all remaining sites that currently do not utilize this energy efficient lighting technology.

ENGIE Services U.S., Inc. (ENGIE) provides businesses, institutions, public entities, and utilities with a suite of energy reduction products. The company is a recognized leader in the industry in managing energy expenses and usage. Accordingly, District staff are recommending using ENGIE for the remaining lighting retrofit projects (Lighting Retrofit Project).

Government Code Section 4217.12 permits the Board to enter into an energy services agreement without competitive bidding and on terms the Board determines are in the best interests of the District if the Board finds “That the anticipated cost to the [District] for thermal or electrical energy or conservation services provided by the energy conservation facility under the contract will be less than the anticipated marginal cost to the [District] . . . in the absence of those purchases,” whereby the energy savings ultimately will be greater than the cost of the Lighting Retrofit Project. However, as protection for the District, ENGIE has agreed to provide performance and payment bonds for the Lighting Retrofit Project.
District staff has undertaken a comprehensive review of the lighting systems in use at District schools and educational facilities. Based on the review, it has been determined that the cost to the District of the Lighting Retrofit Project would be less than the cost of the energy that the District would use in the absence of such Lighting Retrofit Project. This determination is based on current energy costs as well as on projections and assumptions of future increases in energy costs. Adoption of the attached Resolution will set forth a finding to this effect and approve the Lighting Retrofit Project.

ADDITIONAL DATA:
Performance contracting allows districts to negotiate costs under California Government Code, Chapter 3.2, Section 4217.10, Energy Conservation Contracts. Copies of the agreement and analysis are available for review in the Office of the Deputy Superintendent.

FISCAL IMPACT/FUNDING SOURCE:
The cost of the work and services included in the Lighting Retrofit Project is $4,079,323. Costs will be paid from Measure VV funds.

The Governing Board recognizes that unmanned aircraft or aerial systems (drones) may be a useful tool to enhance the instructional program and assist with District operations. In order to avoid disruption and maintain the safety, security, and privacy of students, staff, and visitors, any person or entity desiring to use a drone on or over District property shall submit a written request for permission to the Superintendent/designee.

(cf. 1330 - Use of School Facilities)
(cf. 1330.1 - Joint Use Agreements)

A small unmanned aircraft system or drone is an aircraft weighing less than 55 pounds that is operated remotely without the possibility of direct human intervention from within or on the aircraft and the associated elements, including communication links and controls, required for the pilot to operate the aircraft safely and efficiently. It does not include model aircraft or rockets such as those which are radio controlled and used only for hobby or recreational purposes. (49 USC 40101 Note; 14 CFR 107.3)

(cf. 3530 - Risk Management/Insurance)

Any person authorized to use a drone on District property shall sign an acknowledgment that he/she understands and will comply with the terms and conditions of the District’s policy, federal law and regulations, state law, and any local ordinances related to the use of drones.

When any use of drones is authorized, the Superintendent/designee shall notify the drone operator of the following conditions:

1. The operator is responsible for complying with applicable federal, state, and/or local laws and regulations, including federal safety regulations pursuant to 14 CFR 107.15-107.51 which include, but are not limited to, requirements that the drone not be flown at night, above 400 feet in altitude, or over any people unless they are in a covered structure or stationary vehicle.
