School Day

Kindergarten/Transitional Kindergarten

Kindergarten and transitional kindergarten (TK) classes in district schools may be maintained for different lengths of time, either at the same or different school sites. (Education Code 37202)

Kindergarten and TK classes shall maintain instructional minutes of not less than 54,000 minutes per school year.

Recess may be counted as instructional minutes for purposes of determining the maximum school day if it occurs under teacher supervision.

Because the District is operating an early primary program pursuant to Education Code 8970-8974, the kindergarten school day may exceed four hours, excluding recess, if both of the following conditions are met: (Education Code 8973)

1. The Governing Board has declared that the extended-day kindergarten program does not exceed the length of the primary school day.
2. The extended-day kindergarten program includes ample opportunity for both active and quiet activities within an integrated, experiential, and developmentally appropriate educational program.

The Superintendent or designee shall annually report to the California Department of Education as to whether the district's kindergarten and TK programs are offered full day, part day, or both. (Education Code 48003)

Grades 1-8

Except as otherwise provided by law, the school day for elementary and middle school students shall be:

1. At least 230 minutes for students in grades 1-3, unless the Board has prescribed a shorter school day because of lack of school facilities requiring double sessions, in which case the minimum school day shall be 200 minutes. (Education Code 46112)
