

Business and Noninstructional Operations

OTHER FOOD SALES

Food and beverage sales outside the District's food service program shall comply with the standards specified in 7 CFR 210.11 and 220.12 or with state nutrition standards in Education Code 49431-49431.7 and 5 CCR 15500-15501 and 15575-15578, whichever is stricter. For elementary schools the food service program shall comply with the standards described in Education Code 49431-49431.7. (Education Code 49431)

These standards shall apply to all competitive foods and beverages sold from midnight before the school day to one-half hour after the end of the school day.

The Superintendent/designee shall not permit the sale of foods by a student organization in a school with any of Grades K-12 that is participating in the National School Breakfast or Lunch Program, except when all of the following conditions are met: (5 CCR 15500)

1. The student organization may sell one food item per sale.
2. The specific nutritious food item is approved by The Superintendent/ or designee.
3. The sale does not begin until after the close of the regularly scheduled midday food service period.
4. The sale during the regular school day is not of food items prepared on the premises.
5. There are no more than four such sales per year per school.
6. The food sold is a dessert-type food, such as pastry, ice cream, or fruit.
7. The food sold is not one sold in the District's food service program at that school during that school day.

(cf. 3553 - Free and Reduced Price Meals)

In any middle school, a student organization may be approved to sell food items during or after the school day if all of the following conditions are met: (5 CCR 15501)

Business and Noninstructional Operations

OTHER FOOD SALES (continued)

1. Only one student organization conducts a food sale on a given school day and the organization sells no more than three types of food or beverage items, except that up to four days during the school year may be designated on which any number of organizations may conduct the sale of any food items.
2. The specific nutritious food items are approved by the Superintendent/designee in accordance with Board Policy.
3. Food items sold during the regular school day are not prepared on the premises.
4. The food items sold are not those sold in the District's food service program at that school during the school day.

The Superintendent/designee shall maintain records, and shall require organizations selling foods and beverages to maintain records, to document compliance with federal nutrition standards for all competitive foods and beverages sold through and outside the District's food services program. At a minimum, these records shall include receipts, nutrition labels, and/or product specifications. (7 CFR 210.11)
