CA ELA/ELD Framework

Chula Vista Elementary School District Language Development and Instruction Dual Language Parent Resource

[CA ELA/ELD Framework](#)

The ELA/ELD Framework provides guidance to educators to help build this new depth of knowledge on a range of topics. It includes strategies to strengthen learning for every student, both in the English language arts classroom and in classrooms where students learn other academic content. It contains information on the qualities of effective professional development, strategies for incorporating technology into the classroom, and effective examples of using formative assessment to guide instruction.

Evaluator's Toolkit for Dual Language Programs-

<http://www.cal.org/twi/EvalToolkit/index.htm>

The purpose of this Toolkit is to assist staff in dual language programs that serve English language learners (ELLs) to understand how to meet assessment and accountability guidelines

Organizations

Californian's Together

<https://www.californianstogether.org/>

Californians Together leverages the recognized expertise of our members to promote the use of students' linguistic skills as a positive asset contributing to their success. Californians Together advises state and national policy makers and mobilizes communities to protect and promote access to quality education for the state's English Learners

Alas y Voz

<https://www.californianstogether.org/alas-y-voz/campaign/>

The goal of the Alas y Voz campaign is designed to raise awareness among parents of English Learners about the benefits of biliteracy so they may choose bilingual programs for their children.

California Association for Bilingual Educators (CABE)

<https://www.gocabe.org/>

The California Association for Bilingual Education (CABE) is a non-profit organization incorporated in 1976 to promote bilingual education and quality educational experiences for all students in California. CABE has chapters, members and affiliates, along with partnerships with other state and national advocacy organizations working to promote equity and student achievement for students with diverse cultural, racial, and linguistic backgrounds. CABE recognizes and honors the fact that we live in a rich multicultural, global society and that respect for diversity makes us a stronger state and nation.

National Association for Bilingual Education (NABE)

<http://nabe.org/resources>

NABE's priorities include: Improving instructional programs and practices for linguistically and culturally diverse children; providing bilingual and dual language educators with high-quality professional development opportunities; securing adequate funding for quality dual language programs serving English Learners (ELs); and keeping the rights of ELs clearly in focus as states and communities move forward with sustainable educational reforms
