

## Chula Vista Elementary School District

# 2024-25 Transitional Kindergarten Program

The Chula Vista Elementary School District offers a full-day Transitional Kindergarten (TK) Program at selected school sites. TK is designed to build a bridge between early learning and kindergarten. If your child was born between September 2, 2019, and June 2, 2020, your child is eligible for our TK Program.

Not all district schools have a TK Program. If your neighborhood school does not offer TK, register at your school of residence. Once registered, your school of residence will send a zone transfer form to be completed. You will receive an email confirmation once the transfer is approved, along with placement information.

### How to Register:
