

## SCHOOL READINESS PROGRAM 2020-2021

Preparing the leaders of tomorrow- today!

## SCHOOL READINESS PROGRAM

**If you have a child 3-5 years of age eager to learn  
School Readiness is the place!**

Join other parents and their children for a unique virtual opportunity to learn together. Our sessions are designed to provide parent education as well as developmentally appropriate activities that you and your child can do at home to support their development in the areas of early literacy, math concepts, fine and gross motor as well as social emotional skills.

This is a wonderful opportunity to support your child's development in the comfort of your home with fun and engaging learning activities.

School Readiness Program made possible by LCAP.
